Tuesday, February 3, 2015  
5:00 PM  
229 Hayes-Healy Hall

**Title:** Teaching Beyond the Classroom II

**Abstract:**

This is the second installment of a two-part talk. In this session, I will introduce some of the technologies that could help in structuring homework and designing problem that enhance student learning, and gathering feedback for instructors. The aim is to create a seamless learning experience in and out of the classroom.
