GEOMETRIC ANALYSIS SEMINAR

Speaker: Marco Radeschi
University of Notre Dame

Date: Thursday, November 7, 2019
Time: 11:00 AM
Location: 258 Hurley Hall

Lecture Title:
Minimal surfaces with bounded index II

Abstract
This is a continuation of my talk on a paper by Chodosh, Ketover and Maximo, in which they study sequences of minimal hypersurfaces in closed manifolds of dimension at most 7.
