

MODEL THEORY SEMINAR

Guest Speaker: Remi Jaoui
University of Notre Dame

Date: Tuesday, August 25, 2020

Time: 10:45 AM

Location: Zoom

Zoom URL: <https://notredame.zoom.us/j/763507156>

Lecture Title:

A model-theoretic invitation to web geometry

Abstract

I will discuss some examples of arguments involving a combination of methods from the theory of webs and foliations on algebraic surfaces and from geometric stability theory.
