Dear Colleagues,

The Midwest Several Complex Variables conference will take place April 29 - May 1, 2022 in person at the University of Notre Dame. This NSF-funded meeting will bring the SCV community together in honor of Mei-Chi Shaw. The conference website, including registration and more information about the meeting, is at

<https://sites.nd.edu/midwestscv2022/>**Midwest Several Complex Variables - sites.nd.edu**

Notre Dame Covid-19 Protocols Campus visitors are strongly encouraged to be vaccinated, and regardless of vaccination status, must wear masks inside campus buildings and at any other time designated by the University.

sites.nd.edu

Please note that while we welcome registrations later, the blocks of hotel rooms we have reserved will be released on April 1, so it's a good idea to reserve a room for yourself soon. We will post a detailed schedule when it's ready on the conference website. Our general plan is to begin early Friday afternoon and end Sunday by noon.

Best wishes from the organizers,

Dan Coman, Syracuse U.
Jeff Diller, U. Notre Dame
Siqi Fu, Rutgers U.
Qing Han, U. of Notre Dame
Loredana Lanzani, Syracuse U.
