

MATHEMATICS TEACHING SEMINAR

Guest Speaker: Arthur Lim

University of Notre Dame

Date: Tuesday, January 31, 2023

Time: 5:00 PM

Location: 125 Hayes-Healy Hall

Zoom URL: NA

Lecture Title:

Some Thoughts for Class Preparation

Abstract

Teaching mathematics is an exciting and challenging experience. There are certainly lots to think about: Who are we teaching? What should our expectations be? What should be discussed/explained in class? Where should we get help as a new teacher when we have questions? In this lecture, I like to talk about some practices that are important to keep in mind when we teach a class especially one that we are teaching for the first time.
