

# *Graduate Student Panel Discussion*

## *Department of Mathematics*

### **Panel on non-academic jobs**

**Date:** Monday, December 4, 2023

**Time:** 5:00 PM

**Location:** 258 Hurley Bldg

**Zoom Link:** [notredame.zoom.us/j/93888654312](https://notredame.zoom.us/j/93888654312)

#### ***Abstract***

This seminar will be a panel discussion featuring four former and current Notre Dame graduate students in mathematics who are currently working in a job outside of academia, or in academia but not as a math professor.

### **Panelists:**

Benjamin Jones ( Notre Dame PhD, 2007, Senior Applied Scientist at Amazon Web Services, Portland)

Ben Lewis (Notre Dame PhD, 2017, Data Scientist at Shopify)

John Siratt (Current Notre Dame PhD student, researcher in the Formal Methods Program at NASA)

Taylor Ball (Notre Dame PhD, 2021, Department of Defense, Applied Mathematics Researcher)
