

MATHEMATICS TEACHING SEMINAR

Guest Speaker: Neil Nicholson

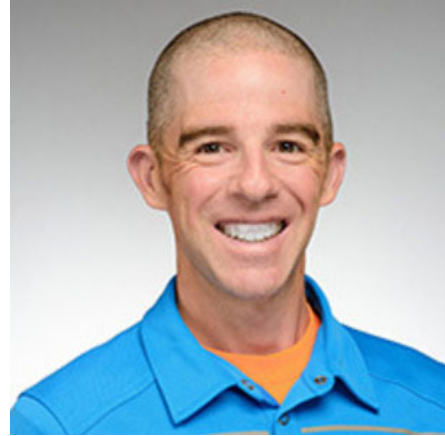

University of Notre Dame

Date: Tuesday, April 30, 2024

Time: 5:00 PM

Location: 125 Hayes-Healy Bldg

Zoom URL: NA

Lecture Title:

Interpreting course evaluations

Abstract

For those new to teaching, course evaluations can be both confusing and intimidating. What are they used for? How can they be interpreted? How should they influence my teaching? We will consider these questions and more from the perspective of a new teaching assistant.
